CRUISING SPEED: 32 Knots

BUILDER: CERRI Cantieri Nava

MODEL: Cerri 86' Flyingsport

BUILT: 2008 | 2018 (Refitted)

Ludi is a fast 26 metre motor yacht built in 2008 by Cantieri Navali Cerri, fresh from an extensive 2018 refit. It is a perfect blend of luxury and technology with a hull designed for maximum comfort and performance.

The engines and propulsion systems of this sport yacht provide extraordinary performance. Ludi is capable of 39 knots flat out, with a cruising speed of 32 knots. This is definitely one of the sleekest and most appealing sport yachts to charter in Italy and South of France.

LUDI

Cerri 86' Flying Sport
is characterized by some
innovative design solutions.

The traditional living area
has now been replaced by two
separate salons on two
different levels, a real
trademark of this Italian Yard.

The upper salon is a very pleasant place to entertain in or simply chill-out. Its 360° surrounding windows offer light and views in equally superb measure. Behind the helm station, the large dining table provides seating for 10 guests. The retractable hard top floods the interior with light and with an enjoyable feeling of great openness.

The modern and spacious lower salon can be reached thanks to a central stairway. The comfortable sofa and entertainment facilities make it perfect for guests who prefer to relax inside.

On the outside, the open decks include an al-fresco dining area on the aft cockpit, and a wonderful sunbathing lounge with excellent shading options on the foredeck.

Comfortable and airy sunbeds are also available on the sport fly bridge. The stern bathing platform provides easy access to the sea.

Ludi can accommodate eight guests in four cabins, including a spacious master suite, one VIP cabin and two twin cabins. In addition, it can also accommodate two children in pullman beds. All cabins are provided with en-suite bathrooms, air conditioning, TV and sound system. The separated crew area access offers a very private accommodation layout.

The four bathrooms are all equipped with courtesy amenities, hair dryers, enlarging mirrors, shower and bidet.

Ludi's leisure and entertainment facilities make it the ideal charter yacht for socializing and entertaining with family and friends: Wi-Fi connection, digital TV and Sky sat decoder, DVD player, foredeck and aft sound system.

Water toys available on board: towable water toys, water-skis, snorkeling equipment, inflatable water toys, kayak, paddleboards, knee board.

Any additional equipment such as Jet-Ski and SeaBob must be requested in advance.
