---

*ETHNA Yacht is a fabulous 30m  
Ferretti Custom Line of 2008  
completely refitted in 2020. It  
has plenty of space and comfort  
is its forte*

**ETHNA** also has large outdoor spaces. The bright Flybridge has an additional dining area with a large table, a bar, a sunbathing area with loungers and a Jacuzzi bathtub with automatic hard-top. Access to the sea is particularly convenient, thanks to the access ladder to the stern platform.

ETNA's exterior space is the highlight of the yacht; her large aft deck featuring a teak table is ideal for al fresco dining with family and friends whilst the foredeck sunbathing area offers a more private escape.

Her flybridge offers additional dining, seating and sunbathing areas, all serviced from a wetbar and offers the very cherry on top of this yacht: the round Jacuzzi, perfect for staying cool and soaking up the views.

Entering the yacht from the main deck aft, you will find the main deck salon which incorporates a comfortable lounge area as well as a large glass table, making for the perfect setting for formal dinners. She is furnished with a light colour scheme throughout the interior, making the space open and bright.

Designer and built in the Ferretti shipyard in Italy, **ETHNA** perfectly combines the ever so popular Italian craftsmanship and design. Benefitting from a complete refit in 2018, her amenities and furnishings are state of the art and in perfect condition for your charter!

**ETHNA** accommodates 10 guests in 5 cabins. The Master Stateroom is located forward on the main deck. The lower deck offers comfortable accommodation for up to 8 guests (+2 small children) in two double suites and two twin cabins with additional pullman berths. All cabins benefit from en-suite facilities as well as an in-built entertainment system.
