*The Ares, is a maxi open yacht
with absolutely stunning lines.*

Thanks to 2 MTU engines with 2750hp each and Kamewa water jets, the Ares skims the waves at a dizzying 35 knots. The profile of the Ares conveys its sports nature and combines a high-performance propulsion system with the personalization and comfort of a traditional motor yacht. Run by an excellent crew of five (including a qualified masseuse/beautician), she is the perfect yacht to charter in Sardinia and in the West Mediterranean.

Outside spaces are large thanks to Ares' open style design. The foredeck, which is reached by wraparound decks, holds inbuilt sun pads for sunbathing. Aft, the main deck's key feature is a Jacuzzi, which can be covered when not in use, creating a maxi day bed. There is a choice of relaxed seating nearby, and a table for casual meals. Water access can be enjoyed from the vessel's swim platform.

Decorated with pale paneling, light wood cabinetry, subtle lighting, dark wood floors and elegant furniture, her interior is contemporary and elegant. The salon benefits from an easily modified layout, making this a very versatile space that can be adapted to suit the owner's needs, with the dining suite able to be situated either forward or aft of this main social space.

Here guests can relax on large sofas, eat together around the dining table, or enjoy the ultimate movie night in front on a 65-inch smart television with connected maxi screen. A unique feature is the salon's retractable sunroof, which allows for sunny lunches or a starlit cinema experience. This luxurious vessel also holds a wine cellar and a Turkish bath

Ares' impressive owner's cabin is a huge space that holds a super king sized bed, study area, bathroom with shower and whirlpool bath, and private gymnasium. Entertainment centers can be found in both the main bedroom and bathroom.

Two additional VIP suites hold double beds, audiovisual equipment and en suite facilities. A final guest cabin is arranged with two single beds and an additional coach bed and is equipped with the same en suite and entertainment facilities as the other sleeping quarters.
