YACHT FOR CHARTER

SANLORENZO SX88'

2022
ITALIAN Flag

The Sanlorenzo SX 88 "Estia" is hull number 83 of the innovative SX range of crossover yachts. This beautiful brand new craft has been delivered to her Owner in June 2022 and immediately offered on the charter market for exclusive yachting experiences along the Tyrrhenian Sea.

The exterior design of this brand-new 26.70 meter motor yacht comes from the boards of Officina Italiana Design, the open transom brings guests closer to the water, serving as a beach club and sports utility area..

The wheelhouse placed on the fly bridge frees up the main deck, so the living area becomes a single loft effect saloon, including the lounge, the totally open galley and another living zone at the bow.

Her modern and avant-garde interiors have been designed by the famous Italian architect and designer Piero Lissoni. The atmosphere is reminiscent of a penthouse with a palette of earthy tones declined in the form of luxurious materials.

The layout of the main deck is quite innovative as it was designed without a wheelhouse, thus maximising the living space on board. Upon entering the boat, you will first find yourself in an elegant salon with beautiful contemporary furniture. Moving inside, you will reach a bar, the open galley and then the beautiful dining room. Panoramic windows offer stunning views on the outside world.

This Sanlorenzo SX 88 offers accommodation to up to 8 guests in 4 ensuite guest staterooms on the lower deck including a full beam master cabin, one VIP cabin and two twin cabins, one of these with sliding beds.
